COMMUNICATION

Communication is very important at WDPS. We would like to make sure that all families are keeping up to date with the events that occur within our school.

Our Newsletter “Bluey’s Bulletin” is full of information and it is important that you are reading each copy. The Bulletin is generated weeks 3,6 and 9 of each Term.

A copy of the Newsletter can be accessed via –

- Our school website - <http://williamdeanps.com.au/>
- Our school app – go to google play on your Samsung device or app store on your Apple device and down load the William Dean Public School app. Lots of information is constantly being sent via our app.

Login details are

- Via email

I have deleted a few families off our email distribution list as the emails are returning with the message “undeliverable”. If you have chosen to receive our Newsletter via email can you return this slip to the office ASAP with your email address.

Child’s name _____ Class _____

Family email address _____

Contact phone number _____

Please regularly check our Community News Board located outside our office as it has the Calendar of Events displayed.
