Dear Parents and Caregivers,

Our 'Early Learning Through Play' program will **start on Thursday 16th February**. 'Early Learning Through Play' is run by Anglicare for children aged 0-5 years old (children who have not started school).

This program allows parents and caregivers an opportunity to meet other community members and build networks while the children play and interact with others in a friendly and supportive environment.

MEET OTHER FAMILIES, HAVE FUN, LEARN AND PLAY
