School Contributions for 2017

Dear Parents and Caregivers,

Thank you to all the families who have already supported William Dean Public School by paying the school contribution fees. Last year we were able to provide the students access to additional resources as a result of your financial contributions.

We would like to ensure that students continue to be provided with up to date and motivating resources.

It would be greatly appreciated if all families could assist by paying the voluntary school contributions. The cost is \$45 for one student or \$85 for families with more than one child.

Funds received will help cover the costs associated with providing additional resources for each student.

We would like to thank you for your support.

Maria Dichiera

Principal
